Dear Judith,

This is an excerpt from a recent Q-Card:

"My compliments to Judith. I was in twice today, in the morning and in the evening. She was courteous, fast and efficient even though your store was very busy."

Your helpful, efficient and thoughtful service is valued very much—by our Arts Family Center customers, *and* by all of us! Keep up the great work, Judith. We appreciate your excellent efforts.

Sincerely,

QUALITY FOOD CENTERS, INC.
